

You haven't seen the 12 Apostles?

Too far to drive, not enough time.....

You have some important clients in town. Not for long.

You'd love to show them some of Victoria's stunning coastline.

This is a great opportunity to treat them to something that will be hard to forget, and talked about for a long time.....

We can show you this world famous landmark in a morning!

In your own private jet, departing from Essendon Airport, fifteen minutes from the CBD.

We'll travel down to Cape Otway, and then on to the Apostles. Descending down to 1000 feet we can show you the view that only the local seagulls get.

Up to 9 passengers can enjoy this experience together, and we'll provide champagne and nibbles.

Flight time is a little over an hour in your business jet, crewed by two experienced pilots, with a cabin attendant if desired.
