## Back to the 30's ..... Cocktail Party.

This has been one of our most popular nights for groups and companies wanting to do something just a bit different. It's great value and well worth considering.

Passengers check in at the Silver Clipper VIP Lounge at 6.00pm. This lounge is the original departure lounge for Melbourne and dates back to the 1930's. On arrival in the lounge your guests are treated to drinks and savouries until 6.45 when you board the aircraft for a spectacular scenic flight around the city skyline. Flight duration is 30 minutes. Arriving back at 7.30pm for further drinks and savouries in both our lounge and hangar around some very interesting aircraft with the night concluding at 9.00pm.
