

jets, views, food

Ah, the smell of the sea

At lunch, you can see South Africa...

Not really, but the next piece of land to the west of your lunch spot is Africa, just 7000 km away.

King Island.

So near.

So different.

Surfers it ain't.

Wonderful it is.

Green, rolling, rocky, peaceful, a place to recapture the joy of life's simple pleasures.

Like the cleanest air on the planet. The best dairy products. (the yoghurt alone is reason to go.) The finest bakery. (The lobster pies are to die for.)

The most friendly people, taking life at a different pace...

The superb buffet lunch at the Boomerang-by-the-sea. 180 degrees of spectacular views of the Western coast, the site of a hundred shipwrecks, the hiding place of a thousand lost golf balls from the authentic links.

It is a destination that time has truly forgotten.

We'd all love to go, but the time, the time....

Melbourne Business Jets, in conjunction with Shortstop Jet Charter, have found a way.

Check in at our private VIP lounge at Essendon Airport, fifteen easy minutes from the CBD, at 11:15 AM. Board your private executive jet, crewed by two Air Transport Pilots, plus a flight attendant if desired.

Whoosh....

At noon, disembark at King Island International, transfer to the Boomerang Restaurant, via a brief tour of the island capital, Currie.

Lunch. The Buffet. The View. The Service. The Life.

Around two, depart for a visit to some other wonders, including the Cheese Factory, where temptation awaits...

Back to the jet by four; back to real life....

Whoosh....

Essendon by four thirty, the CBD by an easy five.

Inclusions:

- Transport Category (The highest) business jet, two pilots, flight attendant if desired.
- All transfers
